RESPONSE TO ELECTION/RESTRICTION REQUIREMENT

Sir:

This is in response to the Restriction Requirement mailed July 1, 2003.

Applicants elect **Group I (Claims 1-32)** drawn to a semiconductor device, classified in class 257, subclass 190, with traverse. The traversal is made on the grounds that it is believed that a search and examination of all claims would place no undue burden on the Examiner (see MPEP §803).

If, for any reason, the Examiner is of the opinion that a telephone conversation with the Applicants' representative would expedite prosecution, the Examiner is requested to contact the undersigned at (617) 720-3500.
